WELCOME
Welcome to UNCG and the MA in Theories and Practices and MFA in Dance with Choreography Concentration degree programs! Students should become familiar with the information in this handbook, and are instructed to follow the policies and procedures in place at their date of entry into a degree program. If program changes occur, students may choose to follow program changes as long as these changes apply to their specific program. Dance Teaching Assistants should also refer to the UNCG Dance Faculty Handbook for information pertinent teaching courses in the School of Dance. All School of Dance graduate students should familiarize themselves with the UNCG Graduate School Bulletin. The bulletin is updated yearly and is available online.

Please note: MA in Dance Education students should consult Dr. Mila Parrish (Director of Dance Education) for program details.

SCHOOL OF DANCE MISSION & PHILOSOPHY
School of Dance Mission and Goals Statements (August 2015)
Within the context of UNCG’s comprehensive liberal arts curriculum, the School of Dance offers bachelors and masters degrees that provide specialized skills for a variety of careers in the evolving field of dance. The school’s primary goal is to teach students the imaginative, critical, and technical skills essential to the creative process and to scholarly inquiry. Our comprehensive curricula foster inclusive learning and intellectual curiosity framed by an engagement with cultural diversity, community outreach, and global issues as related to dance. The School of Dance prepares undergraduate and graduate students for further study and the task of creating successful and productive lives as artists, educators, and scholars at the state, regional, national and international levels.

School of Dance Core Statements of Intention
1. To deliver a curriculum that integrates teaching, scholarship, and artistry, and affirms the centrality of the body as a locus for knowledge, and the experiential basis for learning resulting in diverse outcomes
2. To sustain a community that values individual and cultural differences, as well as co-existing artistic and scholarly perspectives
3. To offer nationally recognized undergraduate and graduate programs that maintain a high standard of teaching
4. To encourage faculty development in teaching, scholarly/artistic work, and leadership within the profession
5. To engage in outreach to the community through public performances and other educational and artistic activities

MFA IN DANCE WITH CHOREOGRAPHY CONCENTRATION MISSION STATEMENT
The MFA in choreography is designed to prepare students for professional careers in choreography and university teaching. Students learn to clarify their choreographic voices and deepen their understandings of dance making
as a personal, aesthetic, cultural, and social process and product through guided investigations of choreographic methods, practices in coaching and performing movement, and theories and practices in dance research. They learn to create a body of work; demonstrate a knowledge of dance technologies and documentation; and produce writing and speak about theories and practices in dance, all at a mastery level. They learn to collaborate and make dance accessible to the public. The M.F.A. is a terminal degree commonly held by studio teaching faculty at the university level.

Dance MFA Student Learning Goals
Upon graduation students will be able to:

1. Artistic and Choreographic Craft
   a. Describe ideas for and about choreography and choreographic processes
   b. Draw connections between their artistic work and influences upon its processes and products
   c. Explore and revise choreographic research and production practices suited to the ideas/intent of the work and for others involved with the project
   d. Create and present choreographic works well suited to their context(s) of performance
   e. Use skills in dance technology to enhance choreographic work

2. Theory and Practice
   a. Students will demonstrate a working knowledge of existing literature in dance; be able to speak, read, and write about dance; and apply somatic principles to dance, on a mastery level.
   b. Utilize knowledge of dance as an aspect of the humanities

MFA FIRST-YEAR REVIEW, PORTFOLIO REVIEW AND FINAL PROJECT
For students graduating in December timelines will be adjusted.

First Year Review
The graduate faculty assesses student progress in their degree program in the spring semester of their first year. Students meet with the graduate faculty to assess progress, and make recommendations for improvement. Students generally meet with members of the graduate faculty to prior to May 10.

Portfolio Review Please note that Portfolio Review requirements are still under discussion by the Graduate Committee. Fall 2017 Incoming students will be required to follow the guidelines once finalized. Continuing students have the option to follow the new guidelines or the guidelines that were in place in their semester of entry into the program.

After removal of any undergraduate deficiencies, completing three semesters of choreography practice (DCE 651), and at the completion of at least 30 graduate hours, students apply for MFA candidacy through the Portfolio Review process. Admission is based on a variety of criteria, including a minimum overall 3.0 GPA.

MFA students submit a portfolio of existing works to the Director of Graduate Studies by December 1 of their third semester in the program. The following materials comprise portfolio review:

• a video or dvd of work from DCE 651 classes or recent choreography
• two significant papers of the student’s choosing from department courses
• written essay addressing portfolio review questions outlined below

In addition to the written essay, each student presents a 15-20 minute lecture-demonstration on their artistic work and directions. Students may show and discuss recorded materials, conduct and discuss a rehearsal, or show and discuss a work or part of a work. The portfolio showing is scheduled at the end of the fall term and all faculty and grad students are invited to attend. The Director of Graduate Studies will provide additional information on Portfolio review criteria upon request.

The portfolio includes an essay (5-6 pages, typed, double-spaced) about their choreographic research from the perspective of both the process and product, and address the three following points:

• Situate your choreographic work in a cultural/historical and/or aesthetic practice. Please identify specific artistic influences that you have researched.
• Critically reflect on your choreographic choices, including but not limited to your use of space, time, movement, casting, relationships between dancers, use of text (if any), costumes, lights, and/or other production elements.

• Discuss your creative process in relationship to your research.

This essay includes a bibliography with a minimum of five (5) sources, two (2) of which must be peer-reviewed articles or book chapters. The bibliography must follow Chicago Manual of Style (CMS), and all sources should include a brief annotation as to how they have contributed to points in the essay. For more information on style formats please consult the following manual: Turabian, Kate L. A Manual for Writers of Term Papers, Theses and Dissertations. 8th rev. ed. Chicago: University of Chicago Press, 2013.

The Graduate Committee reviews the MFA candidacy portfolio, and may decide that the student should pursue the MA degree instead of the MFA degree. Students will be notified of this decision in writing on or before December 15. Students completing with an MA should form a committee and finalize a project no later than January 30.

**MFA Final Project Committee**

When the student has been in residence for at least two semesters and passed the Portfolio Review into MFA candidacy, they assemble a committee of at least three members of the graduate faculty to review their culminating concert or final project proposal. One of the three members may come from outside the department.

Thesis Chair responsibilities are twofold: (1) to mentor the student through their process and; (2) to ensure that the student meets all school and university procedures and standards in the preparation and completion of their culminating project. Generally, MFA candidates register for 2 credits per semester with their Thesis Chair. For the remaining one credit per term MFA candidates register under one of their committee member’s course numbers.

The student prepares a signature sheet (available in the forms section of this handbook) to be signed by each committee member as a record of faculty commitment. This sheet also contains the student’s name, a note as to each committee member’s role (chair or member), a statement of intent for the project, and the date of the Final Project Review meeting. A copy of this document is turned in to the Director of Graduate Studies. Once the committee approves the proposal, the student may register for DCE 697 or DCE 698 and work towards culmination of study.

**MFA Final Project Proposal Timeline**

*Please note: Calendars change from year to year, if a date below falls on a Saturday or Sunday the due date will be the Monday following the listed date.*
March 1: 4th semester MFA students complete MFA Committee Chair and member composition.

March 15: 4th semester MFA students submit the draft of the final project proposal to their thesis chair.

April 1: 4th semester MFA students submit the final project proposal to their full committee by April 1st.

April 28: 4th semester MFA students schedule a project approval meeting with their committee. The committee works with the student to determine a final project of size and scope appropriate for six hours of graduate credit. Committee chairs report the approval of the final project in writing, with copies distributed to the student, the committee and the Director of Graduate Studies.

MFA Final Project Performance, Documentation and Oral Defense

1. The MFA final project is completed in fall or spring of the third year of study. MFA students wishing to present work in the dance theatre may request half of a concert (20 minutes) for presentation. The Director of the School provides the candidates with a list of approved dates for consideration by February 1st of the spring term of the 2nd year.

2. Students producing work in the dance theatre may also arrange the same or different works in other venues, on or off campus, as part of their project. Additional venues and dates must not conflict with dates and times of other MFA work or School of Dance productions. Students choosing to present work in other spaces, on or off campus, will secure permission, sell tickets and otherwise bear the costs of those productions. Since MFA candidates are registered students, campus liability insurance remains effective at the off-campus sites.

3. MFA students are expected to prepare for the oral defense throughout their final year. A draft of the working document is due to the committee chair one week prior the first work in progress showing (usually the end of the fall term for spring thesis dates).

4. MFA students will schedule a formal defense with their committee prior to their project performance. The oral defense must be held no later than 4 days before commencement. Oral defense scheduling must allow time for committee members to read the final project documentation, and the candidate to submit any requested written revisions prior to commencement. Defenses may be open to interested members of the school for observation at the discretion of the student.
5. MFA choreography students must submit copies of their culminating work to their committee chair before they are cleared for graduation. Depending on the format of their concert or project, MFA students may include electronic links of their final project performance. Candidates presenting works that are hybrid in nature should consult with their committee chair to determine that best means of submission.

6. The Final Project documentation paper is due to the MFA Thesis Committee Chair fifteen days prior to the Oral Defense along with the link to the performance. Members of the Thesis Committee must receive these materials within ten days of the Oral Defense. The Director of Graduate Studies is responsible for archiving MFA Final Project documentation for School of Dance and Accreditation purposes.

Final Project Documentation

Please note that Final Project Documentation requirements are still under discussion by the Graduate Committee. Fall 2017 Incoming students will be required to follow the guidelines once finalized. Continuing students have the option to follow the new guidelines or the guidelines that were in place in their semester of entry into the program.

MFA final project productions may take place in theaters or alternative sites, as well as demonstrate a variety of programming structures. The following Final Project documentation paper guidelines are not meant to be prescriptive, rather the goal is to stimulate ongoing questioning of the creative process and products. The expectation is that the written product will clearly articulate in-depth discussion of issues that arise from the creative process.

Candidates are reminded that the Final Project document stands as a formal culminating documentation of their project. The document should appropriately credit resources and titles, demonstrate grammatical accuracy and include a works cited page. If the candidate has any questions about these requirements, they should contact their thesis chair for guidance.

The Final Project paper addresses the candidate’s choreographic process and product CRITICALLY and SELF-REFLEXIVELY. Using the Portfolio Review and Thesis Proposal documents as template, candidates will address the following questions in a 12-15-page essay (12 font, double-spaced, Chicago Manual Style format). The bibliography will have a minimum of seven (7) sources, four (4) of which must be peer-reviewed articles or book chapters. The bibliography must follow Chicago Manual of Style (Turabian preferred), and does not need to be annotated. For more information on style formats please consult the following manual: Turabian, Kate L. A Manual for Writers of Term Papers, Theses and Dissertations. 8th rev. ed. Chicago: University of Chicago Press, 2013.
1. Discuss the socio/political nature of your choreographic process. Possible prompts include:
   a. How does your work challenge, question, or reinforce social/political ideas and norms?
   b. How is your inquiry into or challenges of social and political norms or ideas reflected or conveyed in your interactions with dancers, designers, musicians, or audience?

2. Discuss your choreographic process and product. Possible prompts include:
   a. How personal history, social and political interests and/or your own intersectional identifications shape your choreography.
   b. How your creative work in the MFA program has shaped who you are as a choreographer.

3. Discuss elements specific/central to your work, for example: site-specific or community-based work; use of technology or dance for camera; inspiration in a specific ritual or traditional practice (and associated issues of appropriation/borrowing/transmission).

4. Discuss how you situate your choreographic work in a cultural/historical and/or aesthetic practice. Please identify specific artistic influences that you have researched.

MFA Thesis Oral Defense
The MFA Thesis Defense is the final portion of the culminating project. During the defense, students present a summary of their final work, including the choreographic project and final documentation. Following the summary, committee members may ask questions about the production and final paper addressing the depth of investigation of ideas, and capacity for ongoing critical and reflective thought. At the conclusion of the discussion, the committee chair will ask the candidate to leave the room while the committee members discuss the presented materials and the candidate's response to committee questions. The chair then calls for the candidate and lets him/her know the results of the defense. The student may pass the exam, need further work on the project or paper, or fail the exam.

If an unsatisfactory grade is given on the first attempt to satisfy the requirement, only one additional attempt is permitted. If the student fails to meet the department’s minimum criteria for the capstone experience on the second attempt, The Graduate School is notified and sends the student a letter of dismissal from the program.

DANCE MA IN THEORIES AND PRACTICES MISSION STATEMENT

The graduate dance faculty assesses student progress in their degree program at the end of the first spring semester. Students meet with the faculty to review course work from the year, and make recommendations for improvement. Students usually meet with members of the graduate dance faculty to prior to May 10.

Final Project Guidelines for the MA in Theories and Practices
Please note: Calendars change from year to year, if a date below falls on a Saturday or Sunday the due date will be the Monday following the listed date.

The MA in Dance is a 36 hour degree. Options are available in dance theories and practices, and dance education with licensure for teaching in public schools. The MA in Dance Education is available in a largely-distance format. For more information, on this option, please consult with Dr. Mila Parrish.

1. Once students have completed at least two-thirds of the course work, DCE 610, and have achieved a minimum overall 3.0 GPA, students select a thesis committee, and schedule a Portfolio and Project Proposal Review meeting. Each student will invite three members of the UNCG Graduate Dance Faculty to serve as members of their committee, designating one as chair. Theories and Practices students may include a faculty member from outside the department as part of their committee.

2. The student will complete the Approval Form (in the forms section of this handbook) providing the name, a statement as to each committee member’s role (chair or member, plus any special duties), a statement of intent for the project, and the date of the review meeting described below. It is the student’s responsibility to obtain the signatures and turn in.

3. No later than NOVEMBER 30 of the second year of study, students must schedule a Portfolio Review/Project Proposal Review meeting with their committee, and turn in the following materials to all committee members at least 10 days prior to the Portfolio Review/Project Proposal meeting. At this meeting the committee will assist the student in developing a final project...
proposal of size and scope appropriate for 3-6 hours of graduate. Committee chairs must report approval of the final project in writing, with copies distributed to the student, and Director of Graduate Studies:

- Answers to the following Portfolio Review Questions
- Proposal for DCE 698 Field Project in Dance

4. The student familiarizes themselves with the UNCG Graduate School Thesis Documentation Guide (available on the UNCG Graduate School webpage).

**MA Portfolio Review Questions**
Students submit written answers to the following questions as part of the Portfolio Review. Each question should be answered in a 3-5 page. Carefully prepared, reflective essay.

1. In what ways have your interests and intentions clarified and focused while you have been at UNCG? What did you come here to do initially, and through what set of influences and experiences have you arrived where you are now? How will you pursue this interest upon leaving UNCG?

2. What scholar/approach to scholarship attracts and intrigues you the most? Compare to your own work.

3. Discuss the relationship between dance and your related area of study. Identify important questions or issues that you see in this relationship.

*Please consult with the Director of Graduate Studies for additional specific guidelines for the DCE 698 project proposal.

**DCE 698 Field Project in Dance (1–6)**
Research, development, and completion of approved project which substantially contributes to mastery in MFA or MA concentration and integrates knowledge gained through the degree program.

*Prerequisite*
MA students and MFA candidates with approved project proposals

*Notes*
Grade: Satisfactory/Unsatisfactory, S/U

**PLAN OF STUDY FORMS**
All graduate students are responsible for keeping plan of study forms up to date. A completed copy must be turned in to the Graduate School before the midpoint in your graduate studies (before the end of 3 semesters for MFA students). An updated version of the same form must be sent to the Graduate School with the application for graduation. Plan of Study Forms are available from the Director of Graduate Studies (DGS) B.J. Sullivan.
**UNCG SCHOOL OF DANCE GENERAL INFORMATION**

**ABSENCE FROM ASSIGNED RESPONSIBILITIES**

If a faculty member (full-time, part-time and Teaching Assistants) anticipates missing assigned responsibilities (whether for professional or personal reasons), they must consult with the Director of the School of Dance prior to accepting commitments (regardless of whether additional pay is involved). The faculty member, in consultation with the director, confirms that acceptable arrangements have been made to cover all assignments (teaching, advising, etc.). The arrangements must be approved by the director, particularly in the case of arranging for appropriate substitutes for classes.

Faculty away from campus and regularly assigned workload for professional development or research must complete a Campus Absence form. This form is submitted to the director for approval at least two weeks prior to the absence. The form is available at the following link:

https://goo.gl/forms/5CzKeLLCStPfw5pW2

To maintain instructional quality faculty should consult with the director prior to scheduling substitute instructors. Coverage options may include: faculty colleagues, guest artists, Teaching Assistants and local professionals. Faculty should enter substitute arrangements on the Campus Absence request forms when submitted to the Director of Dance, as well as inform the Main Office of coverage arrangements. Faculty are responsible for paying subs unless a guest artist, peer to peer coverage swap, or Teaching Assistant coverage is arranged with the Director of the School of Dance.

1. If the person covering a class is not a faculty member or TA at UNCG, he/she must be an approved substitute (must be formally appointed by the Director of Dance via a letter). This is extremely important for liability purposes.

2. If an emergency arises and the cancellation of a class is necessary, call the office requesting the posting of a notice. Please do not just leave a message and assume that the office will get the message. If the office staff is not in, contact the Director of Dance (336-334-3262). Faculty members should alert their students of an absence via CANVAS, as well as the Director of the School of Dance. It is recommended that faculty members and TAs have a contingency plan for emergencies (such as an alternative assignment for students).

3. Faculty members and TAs are may substitute for others once a semester without compensation assuming that the request is reasonable and possible. Beyond that, the faculty member is expected to make arrangements for compensating their substitute.
ACADEMIC HONOR POLICY
(In the UNCG Faculty Handbook) The University has a policy on academic integrity that covers cheating, plagiarism, falsifying data, submitting the same work to meet the requirements of more than one course, or damaging University materials. If you have reason to suspect that a student has violated this policy, consult the Director of Dance.

http://sa.uncg.edu/handbook/academic-integrity-policy/

ACCREDITATION
The University of North Carolina at Greensboro is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award bachelors, masters, specialist, and doctoral degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, or call 406-679-4500 for questions about the accreditation of The University of North Carolina at Greensboro.

The Commission is to be contacted only if there is evidence that appears to support an institution’s significant non-compliance with a requirement or standard. All other inquiries, such as admission requirements, financial aid, educational programs, etc., should be made directly to The University of North Carolina at Greensboro, at 336 334-5000.

The University of North Carolina at Greensboro is also accredited nationally by the National Association of Schools of Dance (NASD). NASD, founded in 1981, is an organization of schools, conservatories, colleges and universities. It has approximately 76 accredited institutional members. The organization establishes national standards for undergraduate and graduate degrees and other credentials. Institutional Membership is gained only through the peer review process of accreditation.

NASD provides information to potential students and parents, consultations, statistical information, professional development; and policy analysis.

ACCIDENTS AND FIRST AID
Campus emergency number: 336 334-4444
Please note- the above number will ensure the quickest response time as opposed to dialing 911 on your cell phone.

Emergency procedures are posted in each studio. If someone sustains an accident in the building, it needs to be reported within 24 hours to the Building Manager (336-256-1490) and filing an accident report with Beverly Stallings.
ACDA (AMERICAN COLLEGE DANCE ASSOCIATION CONFERENCES)
Information and Checklist

The UNCG School of Dance allocates payments for ACDA membership, registration for faculty, up to 10 department sponsored student performers, and choreography adjudication fees. Performers are responsible for hotel, transportation and meal costs. Funds may be available from Student Government, the Graduate Student Association or Prime Movers to help offset some of these expenses.

The Dance faculty selects student and faculty choreography that they believe best represents the School of Dance mission and goals for the ACDA adjudication and informal concerts. In addition to meeting ACDA selection criteria, faculty takes into consideration the overall costs of sending larger works of choreography to a regional festival.

Per ACDA adjudication criteria, one faculty and one student work may be submitted for adjudication. All works must run under 12 minutes and only student performers may perform. Generally the school supports 10 student performers, 1 faculty member, and the Technical Coordinator. Faculty adjudication and informal concert selections are announced by the end of the fall term.

If space allows, students not cast in selected works may also attend the conference. The undergraduate student organization, Prime Movers and/or the Association of Graduate Students, will work with the Faculty ACDA Coordinator to organize additional student involvement. All registration payments must be submitted within one week of registration and once submitted may not be refundable.

ACDA attendees should remember that they are School of Dance ambassadors, and as such all attendees (student and faculty) are requested to fully participate in festival activities, as well as attend the ACDA Membership meeting.

ADVISING PROGRAM REQUIREMENT CHANGES AND SUBSTITUTIONS
The school has established program requirements that are approved by the Graduate Studies Committee (GSC). If there are program changes students may elect to follow the new requirements or the requirements that were in place at their point of entry into the program (if scheduling allows). All course substitutions will be managed by the Director of Graduate Studies (DGS).

Advising
Students are assigned the Director of Graduate Studies as their advisor for their first three semesters of graduate study, or until their Plan of Study form has been turned in to the Graduate School, whichever comes first. When students choose a committee chair for their culminating work in the fourth semester, that person becomes the student’s academic advisor as well.
Students and advisors should communicate regularly to develop and monitor the Plan of Study and to clarify university procedures and policies. Each student maintains a Plan of Study form. The form will be kept in the student’s file in the Dance Office and should be updated each semester during preregistration as courses are completed. Registering for any course without the advisor’s approval runs the risk of that the course not counting toward the degree.

The Plan of Study must be filed with the Graduate School before completion of 50% of credits necessary for graduation and at the beginning of the final semester. Students who are half way done in their programs must predict how they will finalize their entire program. All required hours must be accounted for.

If a productive student-advisor relationship does not develop, either the student or the faculty member may suggest a change. Requests to change advisors should be made in writing and submitted to the Director of Graduate Studies, B.J. Sullivan. Dr. Mila Parrish advises all students seeking a K-12 license.

Like students, faculty have to prioritize when faced with a variety of assignments. Faculty check email messages regularly M-F, except when out of town. Some faculty also check messages evenings and weekends, but this is not to be expected. For non-emergency messages, if you don’t receive a reply within a week, feel free to ask again. In cases of emergency, the Director of the School of Dance, Business Services Coordinator or the Dance Office Administrative Assistant may be able to help you.

**APPEALS**

**Academic Regulations or Rulings**

Any student may appeal an academic regulation or ruling by presenting documented evidence of circumstances beyond their control which seem to have relevance to the situation for which they are seeking exemption from set policies or regulations. Appeals should be submitted to the DGS.

**Grade Appeal Policy (UG Bulletin Academic Regulations & Policies)**

If a student wishes to appeal an assigned grade, the student should first discuss the concerns with the instructor. If desired, the student may further appeal to the Department Head/Chair, the Dean of the School or College, and the Provost, in that order.

Grade Appeals will be considered only in the most exceptional circumstances, and are approved only in cases where the evidence strongly supports the student’s claim. Appeals must be filed no later than the first six months after the grade has posted.
Examples that do merit a grade appeal include:
1. The instructor has miscalculated a final grade;
2. The instructor has violated the grading policies outlined in the syllabus without reasonable cause;
3. The instructor has not provided a reasonable explanation of how the student’s work was evaluated.

Examples that do not merit a grade appeal include:
1. The instructor’s grading policies differ from other instructors in the Department, College/School, or University.
2. The instructor’s attendance policy differs from other instructors in the Department, College/School, or University.
3. The instructor’s Late Work policy differs from other instructors in the Department, College/School, or University.
4. The grade distribution in the class in question is lower than in other sections of the same course.
5. The student’s grade in the course is significantly lower than grades the student earned in similar courses.
6. The grade in question will trigger Probation, Suspension, or loss of Financial Aid.

Please note that simple disagreement about what constitutes fair grading is not grounds for an appeal. Department or School Handbooks and/or the Instructor’s syllabus define standards for grading in that course. When a student elects to remain in a class after reading these materials, the student is understood to have accepted the grading terms for the course. The instructor is not obligated to deviate from grading standards outlined in the Department or School Handbooks and/or the syllabus.

If a student accepts responsibility for an academic integrity violation (Section III.B of the violation report form), but does not accept the sanctions proposed by the faculty member, the student must appeal to the faculty member’s Department Head/Chair, the Dean of the School or College, and the Provost, in that order.

ASSISTANTSHIPS
https://grs.uncg.edu/current/teachingassistants/
Assistantships and both in-state and out-of-state fee waivers are awarded on a competitive basis. Awards and assignments are usually made for a year. Assistantships are typically renewed, but students must request the renewal annually. While assistantship assignments are usually related to the student’s area of specialization and prior experience, the needs of the school take precedence. Students can be removed from their assistantship assignments if they are placed on probation, neglect their own work, or fail to perform their assigned duties in a responsible, professional and satisfactory manner. Assistantship assignments are made by the Director of the School of Dance in consultation with the Program Coordinators. Incoming graduate students are
given first priority for these awards.

Please note that priority for fee waivers goes to incoming graduate assistants and are guaranteed for the first year ONLY. Students are urged to establish instate residency as quickly as possible since the school has only a limited number of waivers and cannot guarantee them to continuing students. If you wish to apply for In-state Tuition Status, you must file an application in the Office of the Provost, 201 Mossman Building, 336-334-5494. Application processing can take 6-8 weeks.

For a complete explanation of the NC residency requirements for tuition purposes see: http://reg.uncg.edu/residency/residency-requirements/

Students should also consult the Graduate School’s Financial Information page (http://grs.uncg.edu/financial/) and the University Cashier for information on funding resources and payment plans for graduate education.

Teaching assistants are given teaching assignments by the director and are mentored by the Teaching Assistant Mentor. The director forwards important dates and policies to all teaching faculty at the beginning of each term. Syllabi are submitted to the Dance Office and the director by the end of the first week of classes. All faculty must follow the following final exam policy:

• If a final exam is to be given, the time allotted for the examination should be used for an appropriate alternative instructional period or activity, such as final conferences.

• The faculty members must plan for and meet with the class during this time regardless of whether a final exam is given.

**TA/GA Faculty Assignments**

The Director of Dance makes every effort to provide Dance Faculty with requested Teaching/Graduate Assistant support while also serving the curricular and individual programmatic interests of the students. Students keep track of assigned hours and faculty are requested to be mindful of the student’s other responsibilities when scheduling workload assignments. Teaching and service assignments may not exceed 300 total hours for a 16-week term (takes into account the start-up week and finals week). Weekly hours may not exceed 20 hours to allow for students to focus on their studies. A sample formula follows:

- Teaching Assistant for an academic course= 6.5 hours a week X 16 weeks=104 hrs
- Teaching a studio class twice a week = 4.5 hours a week X 16 weeks=72 hours
- Assisting faculty research 6 hours a week X 16 weeks=96 hours
Teaching and Graduate assistants may be assigned as course support for any department course. The director generally assigns an assistant for DCE 205, 305 and 505. Faculty teaching other courses may request an assignment in consultation with the director at the point of course schedule development (January/February for fall terms and August/September for spring terms). Once a schedule is finalized the student and faculty consult to go over assigned hours. The student keeps track of their hours and informs the faculty member and director if when they have completed their assigned hours.

All faculty members may also request Research Assistants (RA). Faculty in service roles, i.e. Director of Dance Education, Director of Graduate Studies, Director of Undergraduate Studies (DUGS), and the Technical Coordinator will also be assigned GA/TA hours.

**Teaching Assistant Observation and Mentoring**

The goal is for the TA observation and mentoring sessions to be affirmational (i.e. good job!), formative (work on x, y and z) and summative (submitting self-assessment at the end of each term).

**School of Dance Teaching Assistant Evaluations Protocol**

New teaching assistants will be observed during the first three weeks of the semester by their a supervising faculty member. Per accreditation guidelines, all teaching assistants will be observed once per semester.

Continuing teaching assistants teaching a new course will follow the same rules for new teaching assistants, detailed above. Continuing teaching assistants teaching a course they have taught before have the option of 1) being observed once per semester by their mentoring faculty member or 2) scheduling a conversation about their teaching with their mentoring faculty.

It is the TA’s responsibility to schedule observations. Teaching Assistants will forward a syllabus to their mentor prior to the scheduled observation. They should request that their supervising faculty sends the Teaching Assistant Mentorship Supervisor, Dr. Ana Paula Höfling, either 1) a completed School of Dance TA evaluation form or 2) a one-to-two paragraph narrative of the teaching observation. For senior teaching assistants choosing a conversation with their supervising faculty, an email from the faculty member to the TA mentorship supervisor is forwarded to the Director of Dance and entered into the student’s file in the Main Dance Office.

The deadline for submission of all evaluations is the last day of instruction of the semester.

**Instructors are expected to**

1. Give timely feedback and fair evaluations of student work
2. Communicate high expectations, making demands on students that are related to the teaching/learning process.
3. Meet all classes regularly and for the full class term. Final exam times should be stated in the syllabus. ([http://www.uncg.edu/reg/Calendar](http://www.uncg.edu/reg/Calendar)). If the instructor is not holding a formal exam they must be available during the scheduled exam time for student conferences.

4. Respect diverse talents and ways of learning

5. Demonstrate appropriate teacher student relationship boundaries. Instructors are encouraged to be empathetic and clear with their students and seek supervisor help with questions about how to address student issues.

**All instructors follow syllabus goals to demonstrate**

1. Material that is accurate and clear

2. Sequencing and pacing materials logically within each class, and from class to class

3. Strategies to promote student engagement/time on task during and outside class time. Encourages contacts between students and faculty; develops reciprocity and cooperation among students

4. Diverse approaches to meet differing learning styles of students

5. An environment that is mutually respectful (between and among students and faculty), so that students can safely raise issues, disagree, etc.

6. Enthusiasm about dance and about teaching and student progress

7. Good communication skills speaking and writing as needed. This includes timely written responses to student papers

8. Clear expectations, including those related to attendance, assignments, grading. Expectations should be presented in writing, as well as discussed in class

9. Evaluation/feedback of student work that is not only prompt and fair, but also constructive and helpful.

10. High expectations, with demands on students that are related to the teaching/learning process.
**Additional Dance Technique/Somatic Course instructional goals**

Criteria specific to the course content:

1. The class has sense of wholeness or unity, rather than being just a collection of exercises. There is progressive development throughout the class, so that students are prepared both physically and cognitively for more complex/demanding movement by the end of the class.

2. In technique classes, the class consists of movement material that is kinesthetically and visually interesting, rhythmically varied and anatomically sound.

3. Instructor presents the material with cues that refer to qualitative dimensions of the movement as well as necessary mechanics.

4. The instructor conducts the class at an appropriate pace, and doesn't move on until the students are ready.

5. Instructor is conscious of safety, in terms of movement choices and how they are taught.

6. Instructor demonstrates good alignment and rhythmic awareness.

7. The instructor demonstrates when appropriate, but then gives the material to the students so they are not always "following the leader," but are able to take ownership of the material; gives students opportunities for making decisions/choices.

8. Instructor watches students during each performance of the material, giving descriptive feedback (not just evaluative feedback like "good"); able to analyze student problems and clarify with a different way of explaining, if necessary.

9. Instructor makes appropriate connections between material presented in class and, if applicable, dance performance as an art form.

**Summer Research Assistantships**

If funds permit, the Graduate School solicits applications for Summer Research Assistantships during spring semester. These awards include a stipend ($1,000 to $1,500 in recent years) for faculty-guided summer projects. While graduate students may not begin preparing their culminating work with the Summer Research award, they are encouraged to undertake projects that will prepare them for their culminating concert or project. The DGS posts guidelines for the projects and works with faculty to select promising projects for submission to the Graduate School.
ATTENDANCE POLICY
Faculty set attendance and absence policies for their courses. The attendance policy will be included in the syllabus. All excused absences are at the discretion of the instructor.

The School of Dance requires an 80% participation rate to pass the course. Sitting and watching a class does not count as participation. Students who do not meet the participation requirement for any reason may need to repeat the course.

School outreach activities are counted as excused absences if the student meets the outreach participation requirements. Failure to attend a scheduled Technique Review session, or the bi-annual Community Meeting may count as an absence.

When injured or ill (but not contagious), students may still be counted as present if they attend class and are able to accommodate some form of movement activity (to be prescribed by the instructor).

UNCG seeks to comply fully with the Americans with Disabilities Act (ADA). Students requesting accommodations based on a disability must be registered with the Office of Accessibility Resources and Services (OARS) in 215 Elliott University Center, 334-5440, oars.uncg.edu.

Lateness
Students who arrive more than 5 minutes after class has begun should not come directly into a class, but should wait for the instructor to indicate when to enter.

Injured Student Policy
Students whose injuries affect the 80% Participation Policy are advised to undertake one of the following options:

1. Take an incomplete in the course. PLEASE NOTE: Students considering this option should check their Financial Aid criteria before taking an incomplete
2. Request a Medical Withdrawal
3. Withdraw from the class. 80% course participation is required to receive a grade in the course

BEST PRACTICES FOR DANCE/MUSIC COLLABORATIONS
Choreographers working with musicians and/or other collaborators should be aware of key issues that may be raised while working with others from different artistic cultures. It is important to develop a healthy working relationship by ensuring an understanding of everyone’s role in the process. We strongly encourage you to consider the following ideas and principles, and work out a contract before entering into a collaboration:

1. Develop a working, respectful, communicative and trusting relationship so that when artistic decisions need to be made (such as cuts,
additions, revisions, etc.) All parties can be involved in the conversation.

2. Determine who the presenter is (usually choreographer for a Dance MFA production, composer for a MM Music production).

3. Determine how royalties will be divided when pieces will be performed in public.

4. Discuss the production timeline EARLY
   a. Determine weekly schedules
   b. When will final music and choreography be delivered?

5. Will the creative process be synchronous or asynchronous? That is, does choreography set existing music, does music set existing choreography, are these things developed in tandem? Parameters for this relationship must be discussed early and understood by all.

6. Determine how program copy and promotional material will highlight and properly credit original contributions.

7. What do you do when the project isn’t working?
   a. Talk honestly together
   b. Go to your faculty mentors
   c. Make sure intellectual property decisions are made (who has rights to what, what are the arrangements for future financial situations?)

8. Be aware that both sides might have need to make changes (such as cuts, additions, or edits) due to developing artistic perspectives.

9. Write down a list of expectations based on these guidelines.

10. Address performance/production culture. Choreographers: explain how dance productions are done, including schedule for the week of production. Composers: explain how music is created, rehearsed, developed. Understand the production needs of both areas: If live musicians are to be used, what are their requirements (warm up, lighting, rehearsal, space, sound system, etc.) What are requirements for dancers (warm up space, lights, floor, temperature, etc.)

11. Discuss how future royalties from performance might be divided.

COMMUNICATION
Electronic Communication
There are school Google Groups through which it is possible to email all members of the school. Most School of Dance communication will come
electronically, so it is important to check for e-mail messages regularly.

**Bulletin Boards**
If you are on campus, READ THE BULLETIN BOARDS! There are bulletin boards in the hallway outside the theater. If you would like to post anything, please contact Amy Masters in the Dance Office.

**Mailboxes**
All graduate students have a School of Dance mailbox; these are located at the bottom of the stairs on the second floor near TA offices. Graduate student notices may be posted on a bulletin board near the mailboxes.

**Community Meetings**
School of Dance Community Meetings are held once a semester. These meetings are scheduled the first day of each term from approximately 1-1:50p.m. The Community Meeting is a great time to find out what is going on in the department. If you are a Teaching Assistant with a non-majors class scheduled during the Community Meeting please plan to attend the meeting for at least the first 30 minutes and meet with your class afterward.

CONTINUOUS ENROLLMENT POLICY
Pursuit of a graduate degree should be continuous. Students pursuing a graduate degree program should normally be enrolled each Fall and Spring semester, or one semester during the academic year in combination with Summer Session, for course work that is approved for their program of study and selected in consultation with the Dance Director of Graduate Studies.

COPY MACHINE POLICY
Faculty, Teaching Assistants, and Graduate Assistants may use the copy machine. In the efforts of increasing sustainability and cost effectiveness,
most course materials including syllabi, guidelines, announcements and readings should be placed on Canvas. Students may use the copy machine to make copies of their plans of study for advising sessions. Students should not use the copy machine for materials related to their own coursework.

**COPYRIGHTS**
Most music used in the school choreography falls under the Fair Use category. Faculty members and TAs who make available to students copies of copyrighted works (including digital and electronic media) are responsible for following all legal requirements. University legal counsel has prepared a Fair

For interpretation of the effect of the law on individual cases, faculty may consult the University Counsel.

**COSTUME POLICY**
Costumes may be used only by current faculty or registered students.
1. Use of costumes by anyone for any reason must be cleared through the costume room GA/TA
2. Use and return of costume items are recorded by the costume room manager
3. All costume items must be laundered or dry cleaned prior to their return. Items are to be returned as found, either on hangers or in labeled plastic bags. If in doubt about the cleaning procedure, ask the costume room manager

**COURSE EVALUATIONS/COURSE CLIMATE SURVEYS**
All full-time and part-time faculty and teaching assistants are required to conduct end-of-semester course evaluations (by students) of each course enrolling over 10 students.

Course evaluations are completed online. Completed evaluations are not be made available to the instructor until final grades have been given to the Registrar. Teaching Assistants are encouraged to contact the director with any concerns noted in the course evaluations.

**COURSE LOADS**
The minimum number of semester hours that may be carried by a full-time student is 9 and the maximum is 15. A normal load in the is considered to be 10 semester hours. Students who hold assistantships (anywhere in the University) may carry a maximum of 12 semester hours. This load is acceptable as long as the 10 semester hours do not jeopardize a grade point average of B or better. Under exceptional circumstances, the Graduate Faculty can approve a heavier load. Apply in writing; include a full description of all course work and TA responsibilities, to the Graduate Coordinator.

**DCE 624 MOVEMENT FOR DANCE COURSE REQUIREMENTS**
The National Association of Schools of Dance (NASD) requires that graduate students enrolled in a course that simultaneously enrolls undergraduate and
graduate students complete specific published requirements that are at a graduate level.

Graduate students may earn 624 credits through regular in-class participation in an undergraduate technique class (100-400 level) and through the completion of one additional project related to course content as determined by each student in consultation with the course instructor.

624 projects should not be confused with those that may be undertaken under the auspices of DCE 695 Independent Study or DCE 662 Practicum in Teaching Dance courses. DCE 624 projects may be comprised of such activities as reflective journaling, research-related writing, practice teaching or the creation of lesson plans, presentations or the production of other artifacts directly related to course content.

DANCE CONCERTS: POLICIES AND PROCEDURES
See Amy Masters (Publicity and Marketing Coordinator) concerning publicity, and Beverly Stallings (Business Services Coordinator) concerning accounting procedures, early in your concert process.

Guidelines for Dance Concerts
The following general guidelines applies all School of Dance concerts:

1. Designs for all posters/postcards, marketing materials, and programs for all concerts must be approved by the director and Amy Masters before they are sent for printing, to ensure compliance with established University Relations guidelines. More information regarding guidelines and specifications can be found at http://ure.uncg.edu/brandguide.

2. All publicity material must state prominently that this is a production of the UNCG School of Dance, and must carry the UNCG logo.

3. All choreographers for shared concerts should be mindful of the needs of their collaborators. On shared repertory evenings, any work over 15 minutes in length needs to be cleared with the assigned Concert Coordinator.

4. Plans for scenery and props to be used must be approved in advance by the Technical Director.

5. No one should put any charges on a University account, or make any expenditures for which they expect to be reimbursed, without checking first with the Business Services Coordinator.

6. The coordinator of each concert and the Technical Director should be mindful that patrons attending concerts have a right to be informed of
any artistic work containing nudity, adult language, or anything else that might be inappropriate for children. A sign must be posted in the lobby and information included in publicity and at the Box Office.

7. Choreographers are welcome to explore innovatative uses of the stage and audience areas bearing in mind that these decisions may affect ticket revenue or audience safety and accessibility considerations.

School of Dance Concerts
The school sponsors one repertory concert each semester to provide a showcase for work not covered by our other events. Work for these concerts will be selected with the following priorities in mind: DCE 243, 343, 487, and 687/688 will have automatic slots. Work that must be shown to complete degree requirements such as MA projects or BFA theses (for December graduates) will also have automatic slots. A Concert Coordinator is assigned by the Director of the School of Dance.

MFA Master Production Concerts
The school can support up to four MFA Thesis concerts per academic year. Depending on the number of candidates, full or shared evenings of choreography will be scheduled the proceeding spring. Candidates are also encouraged to consider producing in alternative performance spaces. All candidates should credit UNCG in their publicity and program materials.

The student choreographer will be directly responsible for all aspects of such events including:
1. Press release, publicity, including posters and/or postcards, program copy (to be delivered to the Publicity/Marketing Coordinator)
2. Production schedule (to be arranged with Chris)
3. Casts, rehearsals, costumes, music, props, sets, and lighting design

The School of Dance will provide:
1. A standard production crew
2. The theater after 6:30 pm during the production week. Normally the production week is not more than 5 nights, although these are not necessarily contiguous nights. Additional time may be requested for technical production time by the choreographer, lighting designer or other technical personnel.
3. Rehearsal space under our current policy
4. Staff for box office and front of house
5. Paper and photocopying for programs
6. Video equipment

There are two options for financial arrangements:

Option I
The school will pay up to $100.00 in printing expenses. In addition, the school will provide up to one half of the box office receipts from which the
choreographer can be reimbursed for costumes, sets, music, video or other production needs. All sets, costumes, and music paid for from school funds become the property of the school, so students may wish to use these funds for other purposes. There can be no reimbursement without official receipts.

or

Option II
The school will provide up to the full amount of the box office receipts, less the first $200, to cover the expenses of the choreographer. All sets, costumes, and music paid for from school funds become the property of the school, so students may wish to use these funds for other purposes. There can be no reimbursement without official receipts.

DANCE EQUIPMENT
A video camera is available for graduate student use within the building. Please check with the Archives TA to check out this camera. The Archives Room on the 2nd floor, has a limited number of CD and tape players available for use within the building. The borrower must be included on the student list kept by Archives Room staff and leave a UNCG ID to borrow the equipment.

FAX MACHINE
The copy machine in the main office has fax capabilities. The number is (336) 256-1157. If you are receiving a fax, be sure to tell the sender to write your name on the cover sheet. Instructions for sending faxes are located at the machine. Use of the fax machine is limited to departmental business.

FINAL EXAMS
The final exam schedule is listed online on-line with UNCG Academic Calendars.

The regular classroom is automatically reserved for the exam during the scheduled exam time. Exams scheduled in dance studios are confirmed by the Technical Coordinator prior to the final exam period. Instructors teaching in the Student Recreation Center should also contact the Student Rec Center Director to confirm exam times.

According to University policy, faculty may change the examination time only if the students unanimously consent to the change and the new time is within the examination period. If you change the time for an exam scheduled in a classroom, you must notify the Registrar to cancel your room assignment and request another one. Students may change their exam schedule if they have 3 exams scheduled in 24 hours. Faculty whose course content requires alternative forms of final assessment must make arrangements to be available for student conferences during the scheduled exam time.

GRADE CHANGES
Grade Assignment/Change forms for UG and Graduate students are available in the Dance Office. This form may be used to:

• Extend an incomplete grade period
• Remove an Incomplete grade
• Change an earlier assigned grade

The completed form is delivered by a faculty or staff member to the Registrar's Office in Mossman. More information on UNCG grade appeals and other grievances may be found at: http://sa.uncg.edu/grievance/

GRADUATE FORUM
Dance faculty and graduate students gather several times each semester for formal or informal presentations and/or discussion of ideas related to scholarly and creative practices within the department and the wider field. These graduate forums, as they are called, inculcate a strong and supportive sense of community among faculty and graduate students and provide a valuable extracurricular opportunity for enrichment for dance artists, teachers, and thinkers within the department’s various graduate programs who might not otherwise interact with and learn from one another. Graduate students are invited and encouraged to propose, organize, and lead graduate forums, the planning for which takes place early each semester. See the Director of Graduate Studies if you would like to organize or participate in the organization of a graduate forum. The schedule of graduate forums is posted each semester on the bulletin board outside the TA office (room 220G).

GRADUATE STUDENT ASSOCIATION
All graduate students are encouraged to get involved in the Graduate Student Association (GSA) as well as the department Association of Graduate Students in Dance group. https://sites.google.com/a/uncg.edu/gsa/home.

GRANTS FOR TRAVEL AND RESEARCH
The Graduate Student Association (GSA) offers two types of funding: Personal Development and Thesis/Dissertation. Personal Development funds, usually offered at $200.00, are used for travel to conferences and handled as reimbursements. For current details, see: https://sites.google.com/a/uncg.edu/gsa/home

The School of Dance offers opportunities to apply for the Kristina Larson MFA Thesis support award, and for funding to attend Dance Education focused conferences through the Sue Stinson Award. Both award applications are posted in the fall terms, and are reviewed by the Dance Scholarship Committee.

GRIEVANCES
The best way to resolve a concern with a single person is to first talk directly with the person. If a concern cannot be resolved at this level, the next step is to meet with the director of the school. This holds true for any school level concern. Graduate concerns may be taken to the DGS as an intermediate step. For undergraduate student grievances, if the concern cannot be resolved with the DGS or director the next step is to approach the CVPA
Dean. There are also grievance procedures at the college level, and beyond that at the University level.

**GUEST ARTISTS AND SCHOLARS**
The school brings guest artists and scholars to campus as the budget and curriculum allow. We have a small honorarium budget each term. Faculty and students may propose guest artist and scholars to the director for consideration. The Business Services Coordinator handles all guest contracting.

**HEALTH**
*Student Health Services*-- [http://studenthealth.uncg.edu/](http://studenthealth.uncg.edu/)
UNCG Anna Grove Student Health Center nearby on Gray Drive is available for medical problems, immunizations and counseling. **Students are required to have health insurance to attend a UNC system school.** Students with existing health insurance coverage can waive out of the school insurance plan. **Your student ID is required to receive treatment at Student Health Services.**

**Emotional Health**
Often school or personal problems can seem overwhelming. Mental health is just as important as physical health. Feeling more than occasionally depressed, anxious, abusing alcohol or drugs, finding yourself angry too much of the time, consistently avoiding responsibilities, overeating or having no appetite are all areas of concern. The Student Health Center has counselors and talking over a problem with a qualified person may enough to get you back on track. If you have a problem with a particular class or a sensitive issue, often talking with the teacher or other faculty member can clear this up quickly. **IT IS NOT A SIGN OF WEAKNESS TO ASK FOR HELP.**

**Cross training**
The Kaplan Wellness Center is a wonderful facility for the UNCG community. On-campus students are automatically enrolled in the facility as part of their student fees. Their student id card allows them entry. The center has an array of fitness classes, state of the art equipment, a running track and a pool with a sun deck!

**HOUSEKEEPING—STUDIOS AND LOCKERS**
Dance studios are very difficult to keep clean. The housekeeping staff works very hard to sweep and mop studio and dance theater floors on a regular basis. Students should pick up after themselves in order to keep the studios uncluttered and safe for classes.

Clothing that is left behind in studios will be turned in to the Lost and Found locker outside of 221B. This locker is cleaned out monthly. A Canvas message alerts students to the clean out date and since items are washed and donated, thanks them for their contributions to charity.
Other lost and found items, such as jewelry, may be turned in to the Dance Office (323 Coleman).

**DO NOT EAT OR DRINK ANYTHING EXCEPT WATER IN THE DANCE STUDIOS.** Spilled foods and beverages are very harmful to the dance surfaces and can be dangerous to dancers. Street shoes are not allowed on the dance floors. Please remove your shoes prior to entering the dance studio.

Smoking is not permitted at any time in any space within the Coleman building or within 25 feet of it.

The school has lockers available for students in dressing rooms. Please use them! You may use a locker for the academic year by placing a lock on it. Lockers are usually emptied in the summer, so please remember to clean out your locker at the end of spring semester.

**IDENTIFICATION CARDS**
Picture identification cards (UNCG SpartanCards) are issued to all faculty members, administrators, staff, and students. These cards are required for utilizing the Library, the Kaplan Recreation Center, University Teaching and Learning Center, cashing checks, and establishing identity for special services.

SpartanCards are issued from the UNCG SpartanCard Center located on the second floor of the Elliot University Center, office 121. The hours of operation are Monday-Friday from 8am-5pm. If a card is lost or stolen, notify the SpartanCard Center immediately at 334-5651. For more information, visit the SpartanCard website at [http://spartancard.uncg.edu/](http://spartancard.uncg.edu/).

**ILLEGAL DRUGS AND ALCOHOL**
The University of North Carolina Greensboro seeks to maintain an environment that supports the pursuit and dissemination of knowledge. All members of the academic community, including students, faculty, and staff members, share responsibility for protecting the academic environment by exemplifying high standards of professional and personal conduct. Use of illegal drugs by any member of the community interferes with the activities through which the goals of the University can be realized. Therefore, such practices will not be tolerated. The University will take all actions necessary, consistent with law and University policy, to eliminate the use of illegal drugs from the University community. See the Graduate Bulletin for more information.

Additionally, the service and consumption of alcoholic beverages is strictly regulated by law. All persons coming into the campus of The University of North Carolina at Greensboro are charged with compliance with these laws. See the Graduate Bulletin for more information.
INCOMPLETE GRADING POLICY (FROM THE UNCG UG BULLETIN)
An Incomplete grade may be removed by completion of the deferred work. A student should not reregister for the course in order to remove the incomplete grade. An incomplete received during a semester or in summer session must be removed within six months from the last day of examinations in the term in which the course was taken. Current deadlines for removals of Incompletes are published below, each semester in the Registration Guide, and on the University Registrar’s Web site.

An incomplete that is not removed within this time limit is automatically converted to an F by the University Registrar. A graduating senior who incurs an incomplete and who has completed all requirements and enough semester hour credits and grade points to graduate may do so even though the incomplete grade is outstanding. If the incomplete is not removed within the required six months, it will be converted to F at the end of that period of time. When an incomplete is removed, it may be replaced by A, B, C, D, F, or, in certain designated courses, P, NP, S, or U.

INDEPENDENT STUDIES
Independent study courses can only be taken after the student has completed one semester in the graduate program. Students should complete the appropriate approval form provided by the Graduate School: http://www.uncg.edu/reg/Forms/IndependentStudyPermission.pdf.

No more than 3 hours independent study credits may be earned in any one semester. No more than 12 credits of independent study credit may be counted toward satisfying the minimum requirements for the MFA. Students may fill out an additional form, available in the dance office, which will allow them to provide a specific name for their Independent Study, for their transcript.

Independent Studies are done only under the supervision of a fulltime graduate faculty member. Tenure track faculty members have their own independent study numbers; graduate faculty members have separate numbers for graduate independent studies. Faculty are limited to a total of 3 independent study students (graduate and undergraduate) per term.

The instructor for an Independent Study should ensure that the student completes two forms. A “Permission to Register for Directed Study” form must be filed in consultation with the faculty member and submitted to the Registrar's Office early in the semester. This allows the Independent Study to be listed on the student transcript with a descriptive title rather than just "Independent Study."

A second form is available in the Dance Office, and is essentially a contract between the student and the faculty member (and signed by both), making
clear what the course requirements are for the Independent Study. A copy of this form should be placed in the student's file.

**KEYS**
Graduate and Teaching Assistants are issued studio and building keys as a matter of course. ALL KEYS MUST BE RETURNED TO THE DANCE OFFICE BEFORE WE GIVE FINAL APPROVAL FOR GRADUATION.

To obtain keys, contact Amy in the main office; you need to fill out a separate gray card for each building or room key you need.

All other graduate students: To use the studio during the day keys may be checked out with Amy in the dance office. All MFA students may request keys when they are approved for MFA Final Project candidacy.

Graduate students registered in courses in the electronic lab (Coleman 206) will have access to the lab when the class is not in session, including the summer. The computer lab requires an Inteli-key and must be requested through the dance office.

**OFF-CAMPUS EMPLOYMENT**
Graduate Teaching Assistants may not work off campus, as noted in the letter of offer received by TAs from the Graduate School. Indeed, the combination of academic work and assistantship duties is a hefty full time job. Short-term in-field opportunities (e.g., conducting a workshop or dancing for a local professional company) which are approved by the school director are routinely approved by the Graduate School. Hardship cases in which there is clear evidence that the assistantship or fellowship stipend is not sufficient to maintain a student in school will also be considered.

**PARKING**
Parking permits are available for purchase at the Parking Operations and Campus Access Management office in the parking garage on Walker Avenue. Hourly parking is also available in the parking garage. See UNCG Parking Services for more information.

**PROFICIENCIES**
All incoming graduate dance students should have completed an Anatomy for Dance course and a general United States dance history course at the undergraduate level. Accepted students deficient in these requirements must make-up the course work at an undergraduate level within their first year in the program.

**Proficiency in Choreography**
Incoming students are expected to have some coursework prior in choreography. Students who are deficient in choreography must take DCE 253 and DCE 353 before taking DCE 651. These students must wait until the next fall to start the choreography sequence. They should plan to stay at
least an extra semester. Students must complete prerequisites in their first year.

**Proficiency in Oral and Written English**
The School of Dance requires proficiency in oral and written English for all of its graduate degree programs. Written English involves the ability to use standard research methods and to express ideas with a high level of precision and depth using an appropriate scholarly style. Both of these proficiencies are a major part of a number of graduate courses.

All applicants who are non-native speakers of English will be required to submit TOEFL or IELTS. A TOFEL score of 79 is required for entry into the program. Applicants receiving lower scores may receive conditional entry through the INTERLINK program.

**Proficiency in Writing**
Students who are found to be deficient by the Graduate Committee at the First Year Review meeting or through Portfolio Review will be asked to propose a plan to address the deficiency. Students will be asked to demonstrate that the deficiency has been addressed successfully before they are allowed to proceed with plans for their MFA concert.

**SAFETY AND SECURITY**
UNCG Campus Police have provided a new method of contact, the LiveSafe mobile app. The app allows you to report information, live-chat with police, request walking escorts, and view a safety map. The app is available for download from the Apple or Google Play stores, or you can find it at [http://livesafe.uncg.edu/](http://livesafe.uncg.edu/)

Please be mindful of your own safety and that of other students, as well as security of equipment and spaces. **The University does not carry insurance for theft.** The Department has had several thefts of computers, video cameras, and other equipment in recent years and we all need to mindful of the following:

1. The campus escort service may be called at 336-334-5963. This service is provided for students (or faculty) who live on campus or who have a car parked on campus.
2. When rehearsing on nights and weekends, keep studio/theater doors locked while inside.
3. Never leave a rehearsal or performance alone at night. Always "buddy up" with a friend.
4. **DO NOT AT ANY TIME prop open an exterior building door. Fire doors between the lobby and hallway and outside of 322 should not be propped open.**
5. When entering or leaving the building from locked exterior doors, especially during times when the building is closed to the general
university population, make sure the doors close and lock behind you.

6. Make sure all doors are locked and all windows that can be opened are locked when you leave a space. After hours, if you walk past an empty studio that is standing open, please secure the space.

7. **The campus emergency phone number is 334-4444;** keep it and other important phone numbers on hand for easy reference. Do not call your cell phone 911 for emergencies.

8. Report any suspicious looking individuals or groups to the office or the campus police immediately.

9. Where possible, store equipment out of sight when not in use.

10. Do not leave any valuables unattended and have students store their bags inside of the classroom away from the door.

**Fire Alarms**
The fire alarm system, other than for drills, is activated when either a smoke or heat detector is set off, or an individual pulls on one of the red fire alarm boxes located throughout the facility. The fire alarm system is a very loud pulsating buzzer sound and the alarm lights will be flashing in a strobe-like manner. **IT IS REQUIRED THAT THE BUILDING BE EVACUATED WHEN THE FIRE ALARM SOUNDS,** unless there is a pre-announced drill taking place. Once the alarm sounds, the UNCG Police will again be contacted by National Guardian and will immediately investigate. No one is to re-enter the facility until the police have determined the area safe and given permission to re-enter.

**SEXUAL HARASSMENT**
Sexual harassment and discrimination are illegal and endanger the environment of tolerance, civility, and mutual respect that must prevail if the University is to fulfill its mission. The University of North Carolina at Greensboro is committed to providing and promoting an atmosphere in which employees can realize their maximum potential in the work place and students can engage fully in the learning process. Towards this end, all members of the University community must understand that sexual harassment, sexual discrimination, and sexual exploitation of professional relationships violate the University’s policy and will not be tolerated.

Please read the full **University policy.** Knowing others who have broken this policy in the past does not free any individual from abiding by it. See **Code of Conduct.** Also see Good Practices in Graduate Education and the **Graduate Teaching Assistant Handbook** or the **Student Handbook.**

**SMOKING**
Smoking is prohibited in all University buildings. Additionally, University policy states that “smoking shall be prohibited outdoors within 25 feet of any campus building unless designation otherwise has been provided. Wherever possible, ash urns and other provisions made available to smokers should be
located to positions outside the 25 foot perimeter of buildings. No facilities shall be approved or areas otherwise designated within 25 feet of any entrance, outdoor air intake, or operable window.”

**SPACE RESERVATIONS AND SCHEDULING**
The use of School of Dance studios is reserved for Dance faculty and Dance majors. The school strives to allocate studio space in a fair and equitable manner. Long-term and short-term studio assignments are handled by the Dance Office Manager.

To request long-term studio reservations, graduate students should complete the request form available electronically on the UNCG Dance Facilities Calendar available. Short-term requests may be made in person or electronically in the main office. The Dance Facilities Calendar is available at: https://vpa.uncg.edu/dancecal/

Details of priority order and specific hourly allocations are adjusted based on production circumstances from semester to semester. Ranked priorities for LONG-TERM semester-long or for duration of project space reservations:

1. Regularly scheduled classes, including repertory courses such as, DCE 243, 343 and 443
2. Faculty research time (4-6 hours/wk, up to entire semester)
3. MFA Production rehearsal (4-6 hours/wk, prioritized by performance date, up to entire semester)
4. BFA Thesis DCE 470 rehearsals (3 hours/wk, up to entire semester)
5. Prime Movers Concert rehearsals (3 hours/wk max, up to entire semester)
6. DCE 651, 454, 253 rehearsals (3 hours/wk max, up to entire semester)

*NOTE: Though every effort is made to adhere to reservations made early in the semester, the technical director may need to adjust times and/or spaces to address production priorities.*

Criteria for SHORT TERM space reservations:
1. Other Dance student or faculty requests according to availability
2. Part-time and Emeritus faculty according to availability

**Space Rental External Requests**
Rentals of Dance spaces (including 306) are handled through the Division of Online Learning. Outside groups interested in renting Dance studios should be directed to the division at the following link. The Department will draft a guideline for facilities usage. Per Nora Reynolds, the DCL office estimates that rental fees for Dance spaces would be $200 for four (4) hours and then $25 per hour after that. Monies collected for the use of UNCG facilities are paid to UNCG’s Business Office to offset university administrative costs. http://online.uncg.edu/marketing/web/event_management.php
TICKET POLICY

Please note that the school does not distribute or make decisions about comps for concerts presented by a single faculty member or dance company.

All performing dance students receive a BOGO (buy one, at the student rate, and get one free) card per term for any School of Dance repertory concert. Cards are available in the main dance office and must be taken to the Box Office for tickets prior to concert.

The Box Office is generally open during the lunch hours the week of a concert and 2 hours prior to each performance. To reduce lines at the Box Office students and faculty are encouraged to pick up tickets during the week prior to the concerts. Tickets to dance events are also be available through Triad Stage, however the BOGO offer is only good at the Dance Box Office.

Student choreographers receive three complimentary tickets for the run of a concert. Student performers are not eligible for complimentary tickets unless they are also choreographers for the show. MFA choreographers should submit their supplementary comp lists to the Box Office 2 weeks prior to their concert date.

TEACHING ASSISTANTS: Teaching Assistants receive 1 comp ticket for the run of the show. Your name will be on a list at the Department Box Office. In instances when a Teaching Assistant is also a choreographer, the choreography guidelines are instituted.

TIME LIMIT TO DEGREE

The Graduate School requires that all master degrees be completed within a five year period. This time begins with the first course registration which the student makes regardless of what time of year it takes place. In special circumstances, an extension of up to two additional years may be available.

TRANSFER CREDIT

Transfer credits are limited by the University to 1/3 of one’s course work. In rare cases, credits will be transferred from MA to MFA degrees.

TRANSFER FROM MA TO MFA

Students who wish to transfer from the MA to the MFA degree must undertake the same application and admissions process as any applicant to the MFA program. These students apply to the school through the Graduate School, and are evaluated for admission by the Graduate Committee and Dance faculty.

When 2nd year MA students notify the Director of Graduate Studies of their intent to apply to the MFA they are invited to undertake portfolio review in December along with the MFA cohort they are applying to join. If these students pass portfolio review, are accepted for admission to the MFA, and
have earned an A- or higher in a DCE 651 *Choreographic Practice* course, they may join their cohort without repeating graduate courses taken when they were in the MA program.

**VIDEOS/DVDS**  
All UNCG concert performances are recorded. Permanent copies of each concert recording are kept in the archive (Room 220E). Students wishing to make copies of concert performances should consult with the Archives TA and receive permission from choreographers before making recordings for personal use.

The archive also includes materials that have been purchased by or donated to the collection. If you would like to find out what tapes the department owns, please see the door of the archive for current archive hours and for information on assessing archive materials. Be advised that the archive is not open during the summer months.

APPENDIX III: School of Dance Archives
The school keeps an archive of dance videotapes and dvds, including copies of commercial tapes important to department teaching and research. The archive includes a circulating collection and a non-circulating or back up collection. The collection includes all school concerts. There is a list as well as an updated database available for viewing.

The Archives office also checks out video equipment to students. This equipment is extremely expensive and is costly to repair and replace. Proper handling of all equipment and proper conduct in the lab will prolong the life of the equipment and make for more effective course operation. Monitoring the equipment and editing facility is everyone’s responsibility. If you see someone misusing or abusing the equipment, in the building or in the field, please contact the department head.

Archive Operation
Archive hours will change each semester depending on TA schedules. There should be a sign posted on the archive office indicating what the hours are for the semester. This should be done shortly after the semester has started. The only time students and faculty can check out videos, view video or checkout equipment is during those posted hours.

Archive Keys are not to be loaned to anyone by the TAs and TAs may not grant access to the archive to anyone who will be left unattended. Anyone needing services must plan in advance. Department Head, Advising Faculty Member and Archive TAs have keys to the office, but not to the vault. Only the archive TAs have keys to the vaults. Hours of operation will be posted and are based on the assigned TA’s schedule.

Inventory of all Equipment
There should be an inventory taken of all equipment. All camera cases, bags and tripods should be checked. Each camera should have a itemized list that corresponds listing batteries, cords, etc. This should be done in the beginning of the semester and the end.

VHS Tapes and DVDs
Lock combination: PL1E
All VHS Tapes and DVDs are color coded, listed in a binder (a bit outdated) and a new database:

- Red dots signify that the VHS or DVD is a master copy. These do not leave the room. They can be copied by archivist.
- Yellow dots signify that the video is a circulating video. These may be checked-out by graduate teaching assistants and faculty only.
- Green is Faculty produced work/concerts. Can be checked out by faculty and graduate students.
- Brown is for departmental concerts.
Blue dots signify work produced by students (BFA and MFA Concerts).
No Dot- NCDF, Prime Movers, Graduate Showings, Alumni Concerts etc

Excluding master tapes, DVD videos may be taken somewhere within the building to be watched, (e.g. green room/student lounge) as long as they are returned by an agreed to time (use discretion) All faculty, graduate students, teaching assistants and undergraduate students may check out videos depending unless noted otherwise.

**Lending Policy**
Video Tapes/DVDs from the archives vault are available under the following circumstances:

- Faculty and Teaching assistants may check out copies for teaching and research. A sign out sheet is provided and must be signed and dated with the tapes number or names notes. Faculty and TAs are the only ones allowed to take tapes/dvds out of the dance building.
- Check out sheet is on clipboard by the door. Make sure you get the person’s name, which video (name and number that appears on dot) and the date it is checked out on. They should not be checked out longer than a week.
- When transferring a VHS to DVD it must be recorded in the book and in the database.
- There is a list upstairs, check the list when making copies.
- Faculty and TAs should be aware that tapes/dvds are in high demand and should be returned promptly.

**Transfer of VHS to DVD:**
See separate sheet for complete instructions.
1. Make sure to number and label the dvd’s with the color coded dots
2. Update the database information as this is done
3. File the dvd

**Who Can Duplicate Tapes/DVDs:**
1. Students must get permission from their choreographers (faculty or student) to copy work. The permission form is located at the end of this document.
2. Faculty may request a copy to be made by archives.
3. Copies for graduate students may be requested if time allows.
4. All requests must be submitted with in a 48 hour time frame.

**Video Equipment: Cameras, Tripods, Mics, etc.**
Keys: in videotape closet; key with tape is for camera closet, key with no tape goes to tripod closet.
