Here are the large ensembles for which you are being considered:

Chamber Singers, University Chorale, Women's Choir, Women's Glee or Men's Glee

Please understand that ensemble placements are "assigned" by the audition committee. However, we do attempt to consider your preferences when possible.

Do you have an ensemble preference you wish to tell us about? If so, list that below. (It is OK to say "no preference," place me where you need me.) You may list more than one ensemble and rank order your preference if you wish.

Do you have any unresolvable course conflicts with the rehearsal times for any of these ensembles? If so, list that here.
