INTERNSHIP PROJECT FOR ART 393, ARH 401 and ARE 369

Purpose of Internship: The purpose of an internship is to give students structured experience with the theoretical concepts and museum/gallery functions. Art Education students enrolled in ARE 369 are expected to work in educational programs that have direct relevance to their course work.

Requirements: An internship requires the completion of a substantive, clearly defined project that will allow students to apply critical, organizational and communication skills and to demonstrate initiative, creative thinking and responsible teamwork in a professional setting. Completion of the internship project will be documented in a form to be agreed on by the student and the UNCG faculty advisor. Students enrolled in the course are also responsible for securing a letter of evaluation from the internship supervisor; the letter should be signed and submitted on letterhead to the UNCG faculty advisor, who will assign a grade.
