WELCOME:
The North Carolina Theatre for Young People (NCTYP) exists to celebrate the art of live theatre for young audiences, to enrich the lives of young people and their families, and to connect the university with the community. NCTYP realizes this vision through: producing plays; facilitating outreach programs in schools and the community; and educating Theatre for Youth graduate students to apply knowledge in practice in area schools and community organizations. NCTYP strives to embrace all community members in its offerings.

*Play Guides* are provided for each of our staged productions.
