Language		

RESEARCH SKILLS

Bibliography
A student whose transcript does not show a Bibliography course from a NASM accredited school with a grade of B or higher must take MUS 602 to fulfill this requirement.
Additional research skills appropriate to the area of study as determined by the doctoral advisory committee, such as computer programming, including web-design language(s), statistics, foreign languages, non-traditional notation systems, and so forth.

ELECTIVES (51 hours total)

21 hours must be taken at UNCG.
MUS 525/526 must be listed here unless exempt. Students are encouraged to gain in-depth competence in one or possibly two fields of specialization. Therefore, students shall develop a cognate (12 hours), minor (12 hours), or certificate (14 hours) from any one area. No more than 9 hours of ensemble or performance studies earned during doctoral enrollment may be credited in electives.
